## THE SNOWMAN

It was nearly Christmas. Bridget woke up and found that the world was White and magical.

!SNOW! she shouted, !Snow for Christmas this year!

She felt very happy and she ran outside and danced in the snow

She was in the school and her partners came out too. They made a big round snowball and a small one.

They put them together and made a huge snowman .

On Christmas Eve they looked at the snowman. He waved at them. He was alive!

Hello! He said "Its Christmas. Would you like a present?"

Yes please,

The snowman waved his arms

Silver cristal snowflakes filled the sky. It was so beautiful.

We must give you a present too, said the children

They gave him a carrot for a nose, a scarf for his neck, and a hat for his head

The snowman was feeling very happy and shout !HAPPY CHRISTMAS!

But suddenly the snow stopped and the sun came out, the snowman started to melt.

The children began (started) to cry but the snowman said

Don't cry for my, Build me again next year

GOODBYE
